

WHY CHOOSE TRUE LIFE PHOTOGRAPHY?

1. Show off your pictures and enjoy them in your very own custom digital album, included with every package.
2. All our wedding packages include full day coverage. We don't stop taking pictures until your events are over.
3. Two photographers are included with all weddings, so you get more coverage & perspectives.
4. We use state of the art new digital equipment, which ensures you get the highest quality results possible.

IT'S YOUR DAY SO RELAX,

WE'VE GOT YOU COVERED!

TESTIMONIALS:

"Everyone who looks at our wedding album LOVES the pictures...especially the mixture of black & white. I appreciate the pictures of all the little details, Thank You!"

-Todd & Monica

"Absolutely beautiful pictures, the quality was exceptional....a fantastic selection of formal and candid shots...a real labor of love!"

- Wayne & Debra

CAPTURING THE MOMENTS THAT MATTER MOST

We take the trust you place in us to preserve your special day seriously. When we photograph your occasion, we do more than capture pictures of the event.

We look for those moments that others may not see. Our photojournalistic approach captures the emotions of the day and those small details that you took so long to plan. Choose from a variety of suggested poses, or you can decide the arrangement of your group.
